FINAL MEETING OF 2023-2024 CAMELLIA SEASON – APRIL 14th

Don't miss out on valuable knowledge and techniques shared at our meetings!

At our March meeting, Jim Smelley wowed attendees with his propagating technique by using cuttings to root camellias, sharing detailed insights, and answering our questions every step of the way. Following Jim's demonstration, Don Oyler delved into the fascinating causes of bloom variegation.

Join us for our next meeting to stay informed and inspired.
